Community Games

Given the competitive ethos and structure of National Community Games, there is no affinity with mini rugby played within this structure.

IRFU

Leprechaun Rugby

Leprechaun Rugby has been developed to introduce the Game of Rugby Union to young players new to the Game.

The non-tackling and soft contact nature of Leprechaun Rugby contains all the running and handling skills of Rugby Union. It is a game, which is designed to be FUN

Number of players

Can vary from 4-a-side to 8-a-side and or 10-a-side games and the emphasis is on the introduction of the skills, inclusion of all participants; safety and enjoyment.

Playing area

Depends on the number of participants and vary from 10m x 20m to 30m x 40m and or 50m x 70m.

Duration of games

Depends on the time available and can vary from 5 min. each way to 10 min. or 15 min. each way. Young players (beginners) playing non-contact rugby can only play a maximum amount 60 min. of rugby per day.

Start of play

The game starts by a pass-off with the referee indicating the mark.

The opposition must be 5 to 10 m away depending on the size of the playing area and the size of the teams.

Attacking team

The attacking team carries the ball downfield, running, passing (or handling) back to score try by placing the ball over or behind the opposition goal line. The ball can only be transferred to a player behind the ball carrier. No forward (handling) or passing allowed.

Tagging and ball take

To tag, a player must contact the ball carrier with two hands (one on each side of the hips). The ball carrier must then (immediately) pass backwards within a maximum of 3 steps. Any attempt to deliberately gain territory without trying to pass, will result in loss of possession. **OR**

If the ball carrier can't see anyone to pass to he/she should (immediately) stop, turn and present the ball immediately to a support player. The support player must then take the ball and pass to another player without running.

Defending team

The defending team attempts to halt the running progress of the attacking team by tagging the ball carrier.

Off-side

Applies only to the pass-off and the ball take.

The defending team can gain possession as follows:

Intercepting the ball

An opposition pass can be intercepted.

Gathering a dropped ball

If the attacking team drops or throws the ball to the ground, the defending team can pick up the ball and play on.

Knock on

If the attacking team knocks the ball on (dropping a pass forward) the defending team will restart with pass-off.

Forward pass

Forward passes are not allowed and a pass-off is awarded to the non-offending team.

Ball in touch

If the ball or attacking player carrying the ball crosses the touchline, play is restarted by a pass-off awarded to the non-offending team.

Penalties

All penalties are taken with a pass-off. A player from the non-offending team taps the ball on the ground with his foot and then passes to a team mate. Opposing players must 5 to 10 m back depending on the size of the team and or the pitch.

Reasons for penalties

- Ball carrier hands-off a player.
- Interference by a defending player not allowing a transfer, pass or ball take immediately after a tag.
- Ball carrier makes further ground after a tag without passing, transfer or ball take.
- A defending player takes the ball from the ball carrier.
- Deliberate obstruction of an opponent.
- A defending player is offside.

In all instances the opposition must be 5 to 10m back depending on the size of the teams or the pitch.
